

The Ottawa Hospital Cancer Centre

Help us get ready for someone you know.

When we think about cancer, we think about people we know. We see the faces of people we love.

This personal connection to cancer means every one of us has a stake in expanding The Ottawa Hospital Cancer Centre, a fully integrated outpatient centre of The Ottawa Hospital.

That's why this exceptional group of individuals has agreed to form our campaign cabinet to lead the 20-20 Campaign: **\$20 million in 20 months to expand The Ottawa Hospital Cancer Centre at the General Campus.**

Together, their leadership and dedication to the Hospital will help inspire our community to help us get ready for someone you know.
